PROFESSIONAL SUMMARY

B.Sc. Computer Science with Data Science graduate with a strong foundation in Python, MySQL, Power BI, Excel, and web technologies. Passionate about data analysis, software development, and problem-solving. Eager to contribute technical skills and continuously learn in an entry-level IT or Data Science role.

TECHNICAL SKILLS

Visualization & BI: Power BI (Dashboards), MS Excel (Pivot Tables, Charts)

Database: MySQL

Language: Python, HTML & CSS, JS

PROJECTS

Nehru canteen management system

- Developed a **web-based College Canteen Management System** using **Python (Flask), MySQL, HTML, CSS, and JavaScript**.
- Implemented **user authentication, online food ordering, cart, and token-based order management** for students and staff.
- Built an **admin dashboard** to manage menu items, categories, and track live order status, reducing waiting time and improving canteen efficiency.

INTERNSHIP

R Programming at NPRO Technologies – Remote

- Completed an **R Programming Internship** at **NPRO Technologies**, gaining a strong foundation in R programming concepts and scripting.
- Performed **data manipulation, basic data analysis, and data visualization** using R.
- Enhanced **programming, debugging, and problem-solving skills** through hands-on projects and practical exercises.

EDUCATION

B.Sc. Computer Science with Data science - Nehru Arts and Science College

CGPA: 7.1 | 2026

Class XII — Al Ameen Matriculation Higher Secondary School

51% | 2023

Class X — Al Ameen Matriculation Higher Secondary School

PASS | 2021

PAPER PRESENTATIONS & PUBLICATIONS

- The Impact Factor of User Credibility Score-Based Collaborative Filtering Recommendation for E-Commerce Applications Using Machine Learning** — Place: Nehru Arts and Science College, Coimbatore. Published In: ICIRCISH'26 (Feb 2026)
- Sign Language Detection and Translation Using Algorithm** — Place: Nehru Arts and Science College, Coimbatore. Published In: IJRIAS (March 2026).

PARTICIPATION

Hackathon — Project: Home decoration and organization
Sep 2025

Celestra'26 — project: Nehru Canteen Management System
achieved: 1, Price st
March 2026
